

RETIRE NEAR THE SEA

Nestled in the popular South West holiday resort of Busselton, William Carey Court offers retirement living to people 60 years and over. Set back from Bussell Highway, the site boasts 19 Retirement Units as well as a state of the art Residential Aged Care Facility offering respite, low and high care as well as dementia specific services.

Each **spacious** villa style home has been designed on a single level complete with private courtyard and undercover parking for one vehicle. All have two bedrooms, a separate lounge and dining room, as well as a kitchen and bathroom/ laundry. Reverse cycle air conditioning provides warmth in winter and relief from the summer heat. A lockable store room at the rear of the car port provides additional space.

Residents are able to enjoy the **companionship** of other residents and a real sense of **community**. Residents are encouraged to continue their normal lifestyle activities such as **entertaining** visitors, gardening their own plot and shopping. Security is paramount, which gives residents **peace of mind** with a lock-up-and-leave lifestyle. Chaplaincy services are available and a Church Service is held every week within the aged care facility.

There is always plenty to do at William Carey Court, with Unit residents welcome to participate in regular Residential Care Facility **activities** such as concerts, crafts, birthday parties and bus outings on a user-pays basis. Access to the library, hairdresser and podiatry services are also available. Meals can be provided from the Residential Care Facility dining room upon arrangement at a low cost.

The Community Centre allows residents to enjoy regular **social** activities as they make use of the meeting room, lounge area, kitchen and outdoor barbeque with space for alfresco **entertaining**. Gardening of all common grounds, and **maintenance and repairs** of common areas, are taken care of by Baptistcare.

Only 7 kilometres from the centre of Busselton, residents can take **advantage** of the array of cafes, restaurants, theatres and facilities on offer in the town. The stunning **turquoise waters** of Geograph Bay are only minutes away with Mandalay Beach in close proximity. For the sport enthusiasts, Dunsborough Lakes Resort Golf Course is within short range. Public transport is available outside the main entrance for those who wish to take the bus, and taxi services are on offer in the region.

If you have always harboured a dream to retire near the seaside, William Carey Court could be just the place for you. If you would like further information please contact:
