

Riverside Redevelopment

Stage 1 apartments or **Riverside West** is now well underway with the roof structure in place. Eventually, the project will incorporate 110 modern apartments as well as a Community Centre with a gym, heated pool, bowling greens and bbq area.

Residents from Gracewood Hostel have been safely moved to an adjacent building so that demolition of the original site can commence. Construction of a state of the art Residential Aged Care Facility will get underway in early 2008. Riverside Salter Point will incorporate a 110 bed aging in place residential care facility comprised of 40 High Care beds and 70 Low Care beds, including a dementia specific wing catering for 25 residents.

If you would like further information on Riverside Salter Point contact Mike Graebner from Seniors Own Real Estate on M 0418 913 930 or visit the web site at www.riverside-salterpoint.com.au
